§ 606.20 Cap on tax credit reduction.

(a) *Applicability.* Subsection (f) of section 3302 of FUTA authorizes a limitation (cap) on the reduction of tax credits by reason of an outstanding balance of advances, if the UIS Director determines with respect to a State, on or before November 10 of a taxable year, that—

(1) No action was taken by the State during the 12-month period ending on September 30 of such taxable year which has resulted, or will result, in a reduction in the State's unemployment tax effort, as defined in § 606.21(a);

(2) No action was taken by the State during the 12-month period ending on September 30 of such taxable year which has resulted, or will result, in a net decrease in the solvency of the State unemployment compensation system, as defined in § 606.21(b);

(3) The State unemployment tax rate (as defined in § 606.3(j)) for the taxable year equals or exceeds the average benefit-cost ratio (as defined in § 606.3(c)) for the calendar years in the five-calendar year period ending with the calendar year immediately preceding the taxable year for which the cap is requested, under the rules specified in § 606.21 (c) and (d); and

(4) The outstanding balance of advances to the State on September 30 of the taxable year was not greater than the outstanding balance of advances to the State on September 30 of the third preceding taxable year.

(b) *Maximum tax credit reduction.* If a State qualifies for a cap, the maximum tax credit reduction for the taxable year shall not exceed 0.6 percent, or, if higher, the tax credit reduction that was in effect for the taxable year preceding the taxable year for which the cap is requested.

(c) *Year not taken into account.* If a State qualifies for a cap for any year, the year and January 1 of the year to

which the cap applies will not be taken into account for purposes of determining reduction of tax credit for subsequent taxable years.

(d) *Partial caps.* Partial caps obtained under subsection (f)(8) are no longer available. Nevertheless, for the purposes of applying section 3302(c)(2) to subsequent taxable years, partial cap credits earned will be taken into account for purposes of determining reduction of tax credits. Also, the taxable year to which the partial cap applied (and January 1 thereof) will be taken into account for purposes of determining reduction of tax credits for subsequent taxable years.

§ 606.21 Criteria for cap.

(a) *Reduction in unemployment tax effort.* (1) For purposes of paragraph (a)(1) of § 606.20, a reduction in a State's unemployment tax effort will have occurred with respect to a taxable year if any action is or was taken (legislative, judicial, or administrative,) that is effective during the 12-month period ending on September 30 of such taxable year, which has resulted in or will result in a reduction of the amount of contributions paid or payable or the amounts that were or would have been paid or payable but for such action.

(2) Actions that will result in a reduction in tax effort include, but are not limited to, a reduction in the taxable wage base, the tax rate schedule, tax rates, or taxes payable (including surtaxes) that would not have gone into effect but for the legislative, judicial, or administrative action taken. Notwithstanding the foregoing criterion, a reduction in unemployment tax effort resulting from any provision of the State law enacted prior to August 13, 1981, will not be taken into account as a reduction in the State's unemployment tax effort for the purposes of this section.

(b) *Net decrease in solvency.* For purposes of paragraph (a)(2) of § 606.20, a net decrease in the solvency of the State's unemployment compensation system will have occurred with respect to a taxable year if any action is or was taken (legislative, judicial, or administrative), that is effective during the 12-month period ending on September 30 of such taxable year, which has

resulted in or will result in an increase in benefits without at least an equal increase in taxes, or a decrease in taxes without at least an equal decrease in benefits. Notwithstanding the foregoing criterion, a decrease in solvency resulting from any provision of the State law enacted prior to August 13, 1981, will not be taken into account as a reduction in solvency of the State's unemployment compensation system for the purposes of this section.

(c) *State unemployment tax rate.* For purposes of paragraph (a)(3) of § 606.20, the State unemployment tax rate is defined in § 606.3(j). If such percentage is not a multiple of 0.1 percent, the percentage shall remain unrounded.

(d) *State five-year average benefit cost ratio.* For purposes of paragraph (a)(3) of § 606.20, the average benefit cost ratio for the five preceding calendar years is the percentage determined by dividing the sum of the benefit cost ratios for the five years by five. If such percentage is not a multiple of 0.1 percent, the percentage shall remain unrounded.

§ 606.22 Application for cap.

(a) *Application.* (1) The Governor of the State shall make application, addressed to the Secretary of Labor, no later than July 1 of a taxable year with respect to which a State requests a cap on tax credit reduction. The Governor is required to notify the Department on or before October 15 of such taxable year of any action occurring after the date of the initial application and effective prior to October 1 of such year that would impact upon the State's application.

(2) The UIS Director will make a determination on the application on or before November 10 of such taxable year, will notify the applicant and the Secretary of the Treasury of such determination, and will cause notice of such determination to be published in the FEDERAL REGISTER.

(b) *Anticipated impact statement.* In support of the application by the Governor, there shall be submitted with the application (on or before October 15), for the purposes of the criteria described in §§ 606.20(a) (1) and (2) and 606.21 (a) and (b), a description of all statutory provisions enacted or amend-

ed, regulations adopted or revised, administrative policies and procedures adopted or revised, and judicial decisions given effect, which are effective during the 12-month period ending on September 30 of the taxable year for which a cap on tax credit reduction is requested, and an anticipated impact statement (AIS) for each such program action in the following respect—

(1) The estimated dollar effect on each program action upon expenditures for compensation from the State unemployment fund and for the amounts of contributions paid or payable in such 12-month period, including the effect of interaction among program actions, and with respect to program actions for which dollar impact cannot be estimated or is minor or negligible, indicate whether the impact is positive or negative;

(2) If a program action has no such dollar effect, an explanation of why there is or will be no such effect;

(3) A description of assumptions and methodology used and the basis for the financial estimate of the impact of each program action described in paragraphs (b)(1) and (b)(2) of this section; and

(4) A comparison of the program actions described in paragraphs (b)(1) and (b)(2) of this section with the program actions prior to the Federal fiscal year (as defined in § 606.3(f)) which ends on such September 30.

(c) *Unemployment tax rate.* With respect to the unemployment tax rate criterion described in §§ 606.20(a)(3) and 606.21(c), the application shall include an estimate for the taxable year with respect to which a cap on tax credit reduction is requested and actual data for the prior two years as follows:

(1) The amount of taxable wages as defined in § 606.3(k);

(2) The amount of total wages as defined in § 606.3(l); and

(3) The estimated distribution of taxable wages, as defined in § 606.3(k), by tax rate under the State law.

(d) *Benefit cost ratio.* With respect to the benefit cost ratio criterion described in §§ 606.20(a)(3) and 606.21(d), the application shall include for each of the five calendar years prior to the taxable year for which a cap on tax
